“COE made our security processes more efficient and effective. We would definitely use them again. We truly value their commitment.”

— Program Manager, Department of Justice

A Mission-focused Organization

Founded in 1984, The Center for Organizational Excellence, Inc. (COE) has been a trusted adviser in helping organizations and programs transform to more efficiently and effectively accomplish their mission. We help our clients achieve meaningful and measurable outcomes by designing and delivering solutions in the areas of **organizational effectiveness**, **data innovation**, **information technology**, **human capital**.

COE provides services for clients to improve organizational performance. We will not waste client money by performing in a way that does not add value. We have expert staff members who care deeply about the services we provide and the meaningful results achieved.
